

Jordans School Early Risers/Evening Owlets

We encourage all families to register regardless of whether you will be requiring wraparound care regularly or not, so if emergency care was needed, everything is in place. Mrs. Martin is unable to accept unregistered children.

We are very lucky to have a wonderful Breakfast and After School Club – Early Risers and Evening Owlets. Mrs Martin offers a caring and nurturing wrap-around care service for our children.

The Clubs are a wonderful setting for your child to relax and feel at home in before and after school. Mrs Martin gives exceptional care, making everyone feel welcome and special. A healthy and nutritious breakfast / after-school light tea will be served during the sessions. Your child will be able to relax, play indoors and outside, take part in craft activities, enjoy being with friends or choose to sit quietly and enjoy music, stories and books. Mrs Martin is very happy to hear your child read!

Bookings can be made by contacting Mrs Martin or by downloading the registration paperwork using the links below.
