

Safeguarding Statement

At Jordans School, the health, safety and well-being of every child is of paramount concern. We listen to our pupils and take what they tell us seriously. Our aim is that children will enjoy their time as pupils at this school.

We seek to work in partnership with families to help the children achieve their full potential and make a positive contribution to society. On rare occasions our concern about a child may require consultation with other agencies. The procedures follow guidance in the government document, <https://www.gov.uk/government/publications/keeping-children-safe-in-education—2>

If you wish to find out more about our procedures, our Child Protection Policy is on the school website and you can also find more details on the Buckinghamshire Safeguarding Children's Board website:

If you have any concerns about a child, please speak to the school's trained designated safeguarding lead (DSL), Mrs Swain, or in her absence, Mrs Delnevo, the trained deputy DSL.
