# Part A: Pupil premium strategy plan

## Statement of intent

- **To ensure full inclusion to school life, learning and wellbeing through ...**
  - *Participation in all activities including school trips, visits, and fundraising events;*
  - *Social and emotional support including health and wellbeing, attendance, playground social skills, nutrition and sensory needs;*
  - *Early reading and writing acquisition with retention of knowledge and skills*

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	<b>Social &amp; Emotional</b> a)Limited nutrition b)Punctuality & Attendance c)Playground social skills and behaviour d)Oracy, ability to express self confidently e)Sensory needs a barrier to inclusion
2	<b>Curriculum</b> -Limited knowledge, skills and retention in Reading, Writing and Number
3	<b>Cultural Capital</b> -Limited opportunities to widen cultural capital through a range of experiences outside of school

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
1. a) Children enjoy mealtimes and know that good nutrition builds a strong body and brain.	Children join in with school lunchtimes with confidence. Children are open to trying new textures and flavours. Children can identify foods that belong to different food groups and how they benefit the body's growth and repair.
1.b) Children arrive at school on time with high attendance, gaining full learning.	Punctuality is above 95% Attendance is above 95%
1.c) Children have developed social skills enabling them to have happy and safe playtimes.	Playtimes are safe and respectful. Children know how to look after each other and themselves, interacting in a respectful way. Accident forms and behaviour forms show incidents as rare.
1.d) Children have the fluency and vocabulary to articulate thoughts and feelings confidently through speech.	Children speak in full sentences, can explain ideas, use conjunctions and respond appropriately to others in equal turn taking conversations.
1.e) Children can identify sensory needs and know how to regulate them to ensure full inclusion to school day.	Children are coached in self –regulation including strategies to wear safe clothes, appropriate to activities. Anxiety levels are reduced by feeling safe, understood and supported by the whole school team – <i>the opposite of anxiety is not calm but trust.</i>
2.Children leave Jordans School at the end of Y2 confidently reading, writing and fluent in numeracy.	Children progress through the phonics programme successfully, achieving the Phonics Check pass score. Children achieve the Expected level or higher in reading, writing and maths by the end of KS1.
3.Children are fully included in all school activities, widening their cultural capital through trips, visits and full participation in events and clubs.	Attendance on trips, visits, chosen clubs and school events is fully funded by the school.
