

Maths

This half term we will be learning about multiplication and division.

In particular we will focus on:

- recall and use multiplication and division facts for the 2, 5 and 10 multiplication tables, including recognising odd and even numbers
- calculate mathematical statements for multiplication and division within the multiplication tables and write them using the multiplication (\times), division (\div) and equals ($=$) signs
- show that multiplication of two numbers can be done in any order (commutative) and division of one number by another cannot

Science

Plants

We will learn about the lifecycle of plants by observing and describing seeds and bulbs growing into mature plants.

We will develop our scientific enquiry skills by setting up experiments to find out about how different factors affect plant growth e.g amount of sunlight.

English

Our focus text will be 'The Enormous Crocodile' by Roald Dahl. We will develop our creative writing skills, learning more about adjectives and expanded noun phrases, write character descriptions and write a book review explaining and justifying our opinions. We will also carry out drama activities related to the book to deepen our understanding of the characters and their actions.

Deer Class Topic Web Spring term 1 2023

The Best of British

History/Geography

We will be learning about The United Kingdom, the four countries it is made up of and their flags.

We will then move onto learning about the Isle of Coll which is in the Western Hebrides of Scotland, We will use the Katie Morag stories to help us learn about Human and Physical geography.

Music

We will listen to and learn about the national anthems of each country of the United Kingdom.

P.E. and Games:

Friday: Games lessons
(provided by PE Specialists)

Art:

We will be exploring the work of British illustrator Quentin Blake. We will also create a monochrome Scottish landscape.

Computing

We will be continuing to learn about online safety and use Microsoft Word to make information posters.

R.E

Nature and God. We will be learning about how nature is depicted in Christianity, Islam and Buddhism.

P.S.H.C.E

We are going to be learning about respecting peoples' rights and British values.
