

History/Geography

Our living memory - Learning about chronology and exploring the concept of a timeline through our lives so far.

Our local area - discuss and compare physical and human features in our local area. Use and create simple maps. Use locational and directional language to describe the location of features in our area and on maps.

Maths

Place Value & Number: Counting, exploring and representing numbers in different ways. Ordering & comparing numbers including odd/even and 1 more/1 less.

Number Bonds : Adding two or more numbers gives another number.

Addition & subtraction : different ways to add and subtract.

Making up addition and subtraction stories. Solving word problems.

Science

The human body and the senses - Exploring our senses and body parts; explaining how we move, see, hear, touch, taste and smell.

Seasonal change - Investigating the signs of Autumn.

English

Fiction: Stories with familiar settings and predictable phrasing. Writing our sentences to continue a story.

Non-Fiction: Exploring features of non-fiction books and writing captions and labels. Use non-fiction books to retrieve information and create our own fact books.

Poetry: Fun poems that use the senses as their stimulus.

Music

Music Express - Exploring sounds around us and how to use body parts for percussion.

Harvest Festival - Singing songs of thanks.

P.E. and Games

Football skills taught by 'First Touch Football'.
Running and Jumping skills.

Computing

Logging on and introduction to coding.
E-safety.

Art

Portraits - Identifying features and comparing the work of a variety of artists. Creating our own portraits using different art materials, including those in the style of Picasso.

Year 1 Topic Web Autumn Term 2021 'Owlselves'

PSHE

Well being

R.E. Caring for others

Exploring some of the traditions of Diwali.
