Geography/History

We will be looking at the history and location of lighthouses, identifying a lighthouse's main parts and exploring the life of Grace Darling.
We will be locating popular seaside resorts on a map of the UK. We will also be identifying features of the British Seaside and comparing the seaside today to the past.

Science

We will be working on a range of scientific enquiry skills based on our previous learning of all science topics.

Art/DT

We will be developing a range of art and DT techniques using colour, pattern, texture, line, shape, form and space.

Music

We will be exploring country dancing music to complement our country dancing in P.E lessons.

Maths

Fluency skills :
Continuing to rapidly recall number bonds, doubles, halves.
Money :
Discussing coins and notes, as well as making a given amount more than one way.
Measurement :
Telling the time to the hour and half hour.
Fractions:
Finding half and quarter of an object, shape and quantity.
Reasoning & problem solving:
Solving a range of mathematical problems in the context of money, time and fractions.

Owls' Topic Web
Summer Term 2022

'Lighthouse Lookout'

P.E.

Country dancing and sports day activities.

Computing

We will be continuing to learn how to write code to make objects move when they are clicked.

English

Fiction – **The Lighthouse Keeper's Lunch** – We will re-tell the story through role play, discuss and write about the characters and write diary entries as a main character.
Non – fiction – **Instructions** – We will write instructions to make our own picnic foods.
Poetry – We will read a range of seaside themed poems and write our own.
Non – fiction - **Information Texts**
We will be exploring dictionaries, alphabetical order, indexes and will create our own glossaries.

PSHE

We will be discussing our feelings and looking at a variety of ways we can show how we feel to others.

R.E.

We will be looking at places of worship of various religions. We will virtually explore where and how worship takes place.
