

School Uniform

At Jordans School our ethos is to be 'smart and ready for active learning'. Wearing a uniform, gives the children a sense of pride and an understanding of how to dress appropriately for different scenarios. As an active school, we use our outdoor areas for many lessons, activities and exercise throughout the day. We are also an inclusive school with equity and opportunity for all. For these reasons, our uniform is smart, yet practical and universal.

We expect the children to come to school wearing our school uniform, looking smart and ready for their day. The uniform details are below. Long hair should always be tied back with hair bands of school colours – green and grey. For health and safety reasons, earrings should not be worn at school.

Our school uniform, including book bag and P.E bag, is available for order using an online service from the company PMG School Wear, they also have a shop in the Eden Centre, High Wycombe. Please use the following link to place your order online: <https://pmgschoolwear.co.uk/>

Many items can also be purchased in supermarkets, online or at our pre-loved uniform sales. If you would like to browse our box of pre-loved uniform, do call in to the school foyer any school day 3pm-3:15pm.
