

# Welcome to Owl Class!

# Drop off and Pick up

- School gate open from 08:45 and will shut at 09:00.
- Pick up from classroom door at 3pm

## Our Day

Similar to Reception we are currently learning through teacher led sessions on the carpet.

This is followed by small group work and learning through play.

3pm	Home	Home	Home	Home	Home

# Reading in Year 1

If possible, read with your child each day for 15 minutes.  
**Reading books will be changed every Monday and Thursday.**

Please follow the following structure:

Day 1- read for decoding on

Day 2- read again for  
comprehension

Day 3- read again for fluency and expression

The children's reading books will be in line with their phonics learning and writing practice, so books may have less words or complex sentences.

# Reading in Year 1

If you have any concerns regarding your child's progress in reading and their level, please do not write this in their reading records as reading records are there for telling us about your child and their love of reading! Instead, please do feel free to chat to the class teacher who can answer any questions easily at the end of the school day after the children have been dismissed or alternatively use the class email.

As a school we take a mastery approach so rather than racing up the reading levels, we go wide and encourage you to seek out a variety of different reading opportunities for your child, e.g, poems, songs, recipes, board game instructions...

# Homework/Google Classroom in Year 1

For phonics, every week I will upload the Pupil Workbook from the Twinkl Phonics Scheme. This will allow your child to practice applying the previous week's learnt sound.

Please don't feel that you have to print the whole work book out. It can be used as example activities and ideas, which can be completed on a spare piece of paper.

I will also upload other activities that link to our current learning.

# Maths in Year 1

Maths in year 1 will be based around the key areas of:

- Number (place value, addition and subtraction, multiplication and division, fractions)
- Measurement (volume and weight, height and length, money, time)
- Geometry ( shape, position and direction)

## Ways to support your child at home:

- Practise counting (and in everyday situations)
  - Practise number formation
  - Practise number bonds
- Practise exploring money and time

# Writing in Year 1

Each day the children will have English lessons  
Which will teach them key writing skills.  
On Fridays we will have focussed sessions  
based on handwriting.

Please continue to practise letter formation and name  
writing at home.

a b c d e f g h i j k l m n o p q r s t u v w x y z

# PE in Year 1

Please check that your child has a complete PE kit and that everything is labelled.

Please can any children who wear tights have a spare pair of socks in their PE bag.

PE is on a Monday and Friday.

Please continue to practise with your child getting changed at home.

# Library Day

Our library day is Mondays, so please can your child bring in  
in their library book every Monday.

# Contact

Useful information can be found on the website.

## Welcome to JORDANS SCHOOL

A Small School with a Big Heart, guiding our children to becoming kind and courageous citizens.

### First Week - 9/9/22

Owl Class have had a brilliant first week continuing to explore their new classroom, writing, reading, going on Mini-beast hunts and labelling parts of the Human body. Next week, we will be continuing to practice our writing and counting skills, and making self-portraits out of natural materials.

# Contact

Always happy to speak to you and talk through any concerns or queries no matter how big or small.

I am available after school, if you could please wait until all the children have been dismissed.

Or alternatively email me **owls@jordans.bucks.sch.uk**

Thank you very much
