Puers Field Flats - The TMC Phoenix project

Jordans Tenant Members Committee

Hi, and thanks for looking in. The Jordans TMC are raising funds to help our tenant members who have been affected by a fire in Puers Field Flats. The fire collapsed a portion of the roof and has left the residents displaced due to structural integrity. The personal loss is immense in some cases whilst others have fared much better. The funds raised will go towards helping the residents get back on their feet and replace some of the necessities required. Carpets, furniture, TV's, utensils, clothing, footwear etc are going to be needed to be replaced so please help us help our neighbours as much as you can. Every little helps and we know just how much this community comes together in a crisis. Thankfully, no one was injured in the fire so there is a bit of good news at least. TMC will distribute funds as required and will continue to support individuals in the interim period.
