JORDANS SCHOOL CLASS NEWS

Fox Class

This week in Fox Class we have been comparing town and country environments. In Maths we have been looking at one more and one less and in our PSHE lesson we discussed the importance of sleep. Well done Fox Class, a brilliant start to the new term.

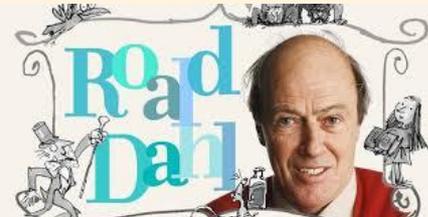

Owl Class

In Owl Class our book this week is Katie's Picture Show. We have all enjoyed it. In Science we have been learning all about Winter and in our Music lesson we looked at various percussion instruments. Great work Owls, well done!

Deer Class

In Deer Class this week we have started our topic on Roald Dahl, ready for our trip to the Roald Dahl Museum in February. In Maths we have been creating arrays and in Science we have been discussing living and non-living things. Well done Deer Class!

Jordans Village Performs - Concerts

Jordans Village Community Concert

It's coming – our annual Jordans community concert on Saturday 17th January! Local performers of all ages and abilities will show their talents to a warm and supportive audience. The concert starts at 7.30 pm in Jordans Village Hall and if you would like to take part, do give me a call on 01494 873186. We already have about a dozen performances, including a wind quintet and a string quartet, as well as singers and piano players, so it will be an evening not to be missed.

Tickets can be booked through our website, www.jordansvillageperforms.org where you can also see what other concerts are taking place in the rest of the season. We will provide refreshments, and it will be a very friendly and enjoyable evening - so do come!
