

## Attendance Policy

Updated: June 2025

Update Required: June 2026

### BUCKINGHAMSHIRE COUNCIL

#### Introduction

Regular school attendance is essential if children are to achieve their full potential. Education is the cornerstone of liberty, it opens up opportunities and provides the knowledge and skills for a child to belong in the world.

Jordans School pupils with strong attendance make fast academic progress, are emotionally resilient, confident and competent. Parents who support their child to attend school every day with good punctuality are modelling a responsible lifestyle, helping them to grow to be adults who are able to fully realise their potential and make a positive contribution to their community.

Jordans School values all pupils. As set out in this policy, we will work with families to identify the reasons for poor attendance and try to resolve any difficulties, taking advice and support from external agencies, as required.

The government directs parents by stating 'You must make sure your child gets a full-time education that meets their needs.'

Overview: <https://www.gov.uk/school-attendance-absence>

If you need help with getting your child to school, the following government guidance offers advice:

<https://www.gov.uk/school-attendance-absence/help-with-getting-your-child-to-go-to-school>

Jordans School recognises that attendance is a matter for the whole school community. Our Attendance Policy should not be viewed in isolation; it is a strand that runs through all aspects of school improvement, supported by our policies on safeguarding, bullying, behaviour and inclusive learning. This policy also takes into account the Human Rights Act 1998 and the Equality Act 2010.

#### Legal Framework

Section 7 of the 1996 Education Act states that parents must ensure that children of compulsory school age receive efficient full-time education suitable to their age, ability and aptitude and to any special educational needs they may have, either by regular attendance at school or otherwise.

A child is of Compulsory School Age at the beginning of the term following their 5<sup>th</sup> birthday. A child ceases to be of compulsory school age on the last Friday in June of the school year in which they reach the age of 16.

Under the Education Act 1996, the Local Authority has a statutory responsibility to ensure that parents secure education for children of compulsory school age and where necessary, use legal enforcement.

The Education (Pupil Registration) (England) Regulations 2006, require schools to take an attendance register twice a day, once at the start of the morning session and then again during the afternoon session.

The register must record whether the pupil was:

- present;
- absent;
- present at approved educational activity; or
- unable to attend due to exceptional circumstances.

### **Categorising absence**

Where pupils of compulsory school age are recorded as absent, the register must show whether the absence is authorised or unauthorised. Absence can only be authorised by the school and cannot be authorised by parents. All absences will be treated as unauthorised unless a satisfactory explanation for the pupil's absence has been received.

Parents should advise the school by email or telephone on the first day of absence and provide the school with an expected date of return.

Absence will be categorised as follows:

Illness: In most cases a telephone call from the parent informing the school that their child is ill will be acceptable. Parents may be asked to provide medical evidence where there are repeated absences due to reported illness. This will usually be in the form of an appointment card, prescription etc. If you are unsure as to whether your child is well enough for school, follow the NHS advice or call the school for advice. In most cases, if a child's temperature is normal, they can attend school. The school will phone parents if they become too ill to engage in school activities.  
<https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

Medical/Dental Appointments: Parents are advised where possible to make medical and dental appointments outside the school day. Where this is not possible, pupils should attend school for part of the day. Parents should show the appointment card to school.

Other Authorised Circumstances: The Headteacher uses the DfE guidance for taking holidays in school time:

*You have to get permission from the head teacher if you want to take your child out of school during term time. You can only do this if:*

- *you make an application to the head teacher in advance (as a parent the child normally lives with)*
- *there are exceptional circumstances*

*It's up to the head teacher how many days your child can be away from school if leave is granted.*

Other authorised circumstances may be visiting another school for transition purposes.

Excluded (no alternative provision made): Exclusion from attending school is counted as an authorised absence. The child's class teacher will make arrangements for work to be sent home.

Late Arrival: It is expected that parents will drop their children to school at 8:45am when the school gates open. There is a 'soft start' period to reduce congestion in the village and to help with parking. The school gates shut at 9am. Pupils arriving after 9am will need to report to the school office, their carer must sign the late attendance register, and the pupil will be marked as 'late' (L). The register will formally close at 9.15am. Pupils arriving after the close of register will be recorded as absent for the morning session. This will not be authorised and will count as an absence for that school session. The 'U' code will be used in the register.

On arrival after 9am, pupils must immediately report to the school office to ensure that we can be responsible for their health and safety whilst they are in school.

The absence will only be authorised if a satisfactory explanation for the late arrival can be provided, for example, attendance at a medical appointment. (Code M)

The absence will be recorded as **unauthorised** if the pupil has arrived late after the registers close without justifiable cause, for example, if they woke up late or were waiting for their uniform to dry. (Code U)

Late Collection: Parents have a duty of care to collect their child on time at the end of the school day. If, due to unavoidable circumstances, a parent is due to be later than the 3pm finish time, they must contact the school office to inform the staff. The late register must be signed upon collection to keep a record of any ongoing difficulties. It is expected that parents will prioritise collecting their children from school above work commitments. A child left waiting for their parent can become upset and anxious. Their needs must come first.

Unauthorised absence: Absence will not be authorised unless parents have provided a satisfactory explanation that has been accepted as such by the school. Each day a child is absent from school, they miss 5 lessons. This puts them 5 lessons behind their peers.

Examples of unsatisfactory explanations include:

- A pupil's/family member's birthday
- Shopping for uniforms
- Having their hair cut
- Closure of a sibling's school for INSET (or other) purposes
- "Couldn't get up"
- Illness where the child is considered well enough to attend school
- Holidays taken in term time

Leave of Absence and Extended Leave: Parents do not have an automatic right to remove their child from school during term time for the purpose of a holiday and are strongly advised not to do so as it impacts on their learning and confidence. Parents should be aware that if their child is absent for 10 school days they will miss the equivalent of 50 lessons and will be 50 lessons behind their peers.

Holidays in term time will not be authorised and will be marked on the child's record as an unauthorised absence.

Parents wishing to take their child out of school during term time must send a written request to the head teacher before arrangements are made. Documentary evidence of leave and return dates may be required in order to process your request. Retrospective requests will not be considered and therefore will result in the absence being categorised as unauthorised.

A leave of absence for an exceptional circumstance will be considered individually and will take the following factors into account:

- Circumstances of the request
- Purpose of the leave
- Length of the proposed leave
- The pupil's general absence/attendance record
- Pupil's ability to catch up the work missed
- Pupil's educational needs
- General welfare of the pupil
- Previous term time holidays taken
- Age of the pupil
- When the request was made

All requests for leave of absence will receive a written response. Where a request has been granted, the letter will state:

- The expected date of return
- That parents must contact school should any delays occur

If the permission to take leave is not granted and the pupil is absent, the absence will be **unauthorised**. In such cases the school may refer the matter to the Buckinghamshire Council Attendance Team who may issue a Penalty Notice.

<https://www.buckinghamshire.gov.uk/schools-and-learning/school-attendance-and-supporting-children-in-education/pay-your-childs-penalty-fine-for-missing-school/>

Religious Observance Jordans School acknowledges the multi-faith nature of British society and recognises that on some occasions, religious festivals may fall outside school holiday periods or weekends and that this necessitates a consideration of authorised absence or special leave for religious observance. (Code R)

It is reasonable for a parent to allow their children not to attend school on any day of religious observance if recognised by the parent's religious body. Parents are requested to give advance notice to the school if they intend their child to be absent.

However, in the interests of fulfilling the academic requirements of the school and limiting the authorised absence rate of the school, it is identified as reasonable that no more than one day be designated for any individual occasion of religious observance/festival and no more than three days in total in any academic year. Absence in excess of this will be categorised as unauthorised.

Traveller Absence: The aim for the attendance of Traveller children, in common with all other children, is to attend school as regularly and as frequently as possible.

To protect Traveller parents from unreasonable prosecution for non-attendance, the Education Act 1944, section 86, states that a Traveller parent is safe from prosecution if their child accrues 200 attendances (i.e. 200 half days) in a year. Traveller absence (Code T) is acceptable only when the family is engaged in a trade or business that requires them to travel and when the child is attending school as regularly as that trade permits.

It does not mean that part-time education for Traveller children is legally acceptable, nor does it relieve parents of their duties to ensure that their children are receiving suitable education when not at school. When in or around Buckinghamshire, if a Traveller family can reasonably travel back to their base school (see below) then the expectation is that their child will attend full-time.

Jordans School will be regarded as the base school if it is the school where the child normally attends when they are not travelling. However, the pupil must have attended in the last 18 months. Traveller children can register at other schools temporarily whilst away from their base school. In such cases, the pupil's school place at Jordans School will be kept open for them whilst travelling. This is to protect them from unfairly losing their place at their school of usual attendance.

Jordans School can operate effectively as the child's base school only if we are engaged in on-going dialogue with Traveller families. This means that parents must:

- advise of their forthcoming travelling patterns before they happen; and
- inform the school regarding proposed return dates

Jordans School will authorise absence of Traveller children if we are satisfied that a family is travelling and has given indication that they intend to return.

Traveller children will be recorded as attending an approved educational activity when:

- The child is on roll and attending another visited school
- Undertaking supervised educational activity under the jurisdiction of another Local Authority's Traveller Education Service
- The child is undertaking computer based distance learning that is time evidenced

Where Traveller children are registered pupils at a school and are known to be present either at a site (official or otherwise) or in a house and are not attending school, the absence will be investigated in the same way as for any other pupil.

### **Deletions from the Register**

In accordance with the Education (Pupil Registration) (England) Regulations 2006, pupils will be deleted from the register only when one of the following circumstances applies:

- The school is replaced by another school on a School Attendance Order
- The School Attendance Order is revoked by the Local Authority
- The pupil has ceased to be of compulsory school age
- Permanent exclusion has occurred and procedures have been completed
- Death of a pupil
- Transfer between schools

- When a parent informs the school in writing that the pupil is to be withdrawn to be educated outside the school system
- Failure to return from an extended holiday after both the school and the local authority have tried to locate the pupil
- A medical condition prevents their attendance and return to the school before ending compulsory school-age
- In custody for more than four months (in discussion with The Youth Offending Team)

Jordans School will follow Buckinghamshire Council's Children Missing Education Protocol when a pupil's whereabouts is unknown.

### **Roles and Responsibilities**

Jordans School believe that improved school attendance can only be achieved if it is viewed as a shared responsibility of the school staff, governors, parents, pupils and the wider school community.

The Headteacher and class teachers will:

- Actively promote the importance and value of good attendance to pupils and their parents
- Form positive relationships with pupils and parents
- Contribute to a whole school approach which reinforces good school attendance; with good teaching and learning experiences that encourage all pupils to attend and to achieve
- Comply with the Registration Regulations, England, 2006 and other attendance related legislation
- Implement systems to report, record and monitor the attendance of all pupils, including those who are educated off-site
- Analyse attendance data to identify causes and patterns of absence
- Contribute to the evaluation of school strategies and interventions
- Work with other agencies to improve attendance and support pupils and their families
- Document interventions used to a standard required by the Local Authority should legal proceedings be instigated

Parents will:

- Create predictable routines that promote an easy start to the day and attendance at school.
- Talk to their child about school and their learning. Take a positive interest in their child's work and educational progress
- Instil the value of education and regular school attendance within the home environment
- Encourage their child to look to the future and have aspirations
- Contact the school if their child is absent to let them know the reason why and the expected date of return.
- Try to avoid unnecessary absences. Wherever possible make appointments for the doctors, dentists etc. outside of school hours
- Ask the school for help if their child is experiencing difficulties
- Inform the school of any change in circumstances that may impact on their child's attendance

- Support the school; take every opportunity to get involved in their child's education, form a positive relationship with school and acknowledge the importance of children receiving the same messages from both school and home
- Encourage routine at home, for example, bed times, home work, preparing school bag and uniform the evening before
- Not keep their child away from school to go shopping, to help at home or to look after other members of the family
- Avoid taking their child on holiday during term-time.

### **Using Attendance Data**

All pupils' attendance will be monitored and will be shared with the Local Authority and other agencies if a pupil's attendance is a cause for concern.

Every six weeks the Attendance Administrator will provide the Headteacher with attendance data for the previous six weeks for each pupil within the school.

This pupil level data will be used to trigger school action as set out in the escalation of intervention.

Attendance data will also be used to identify emerging patterns and trends to inform whole school strategies to improve attendance and attainment.

Jordans School will share attendance data with the Local Authority as required. All information shared will be done so in accordance with the Data Protection Act 1998.

### **Support Systems**

Jordans School recognise that poor attendance is often an indication of difficulties in a child's life. This may be related to problems at home and or in school. Parents should make school aware of any difficulties or changes in circumstances that may affect their child's attendance and/or behaviour in school, for example, bereavement, divorce / separation. This will help the school identify any additional support that may be required.

Jordans School also recognise that some pupils are more likely to require additional support to attain good attendance, for example, those pupils with special educational needs, those with physical or mental health needs, migrant and refugee pupils and looked after children. The school will implement a range of strategies to support improved attendance. Strategies used will include:

- Discussion with parents and pupils
- Referrals to support agencies – including The Family Support Service, Attendance Officer and Social Services.
- Learning mentors
- Friendship groups
- Additional learning support
- Behaviour support
- Inclusion support
- Reintegration support

Support offered to families will be child centred and planned in discussion and agreement with both parents and pupils.

## **Legal Sanctions**

Where intervention fails to bring about an improvement in attendance, Jordans School will notify the Buckinghamshire Council Attendance Team of the irregular attendance. The Attendance Team or school, may invite parents to attend a Parenting Contract Meeting and issue a formal warning of a Penalty Notice.

Parenting Contracts (Anti Social Behaviour Act 2003) A Parenting contract is a voluntary agreement between the Local Authority, school and the parent, it can also be extended to include the child and any other agencies offering support to resolve any difficulties leading to improved attendance. The contract will outline attendance targets and will detail agreed actions that will help to achieve the target. The contract will be reviewed regularly. The contract can be used as evidence in a prosecution should irregular attendance continue.

Penalty Notices (Anti Social Behaviour Act 2003) Penalty Notices will be considered when:

- Intervention has failed to bring about improvement and further unauthorised absence has occurred following written warning to improve.
- A pupil has taken leave of absence i.e. for the purpose of a holiday in term time and the absence has not been authorised by the school

A Penalty Notice gives the parent the opportunity to avoid a prosecution. A £80 fine, per parent/carer, per child must be paid within 21 days. The fine increases to £160 per parent/.carer, per child if paid after 21 days but within 28 days of the date the Notice was issued. Failure to pay the Penalty Notice may result in a prosecution under Section 444 of the Education Act 1996.

Prosecution: The school will provide the Local Authority with evidence required for a prosecution under Section 444 of the Education Act 1996. This is to ensure that parents realise their own responsibilities in ensuring attendance at school and most importantly about returning children to education.

## **Policy monitoring and review**

We will formerly review this policy every year as well as if incidents occur that suggests the need for review.

Trends and strategies are analysed by the Headteacher for inclusion in the Headteacher's Annual Report to the Governing Body and are reported termly to Governors.

## Intervention Flow Chart

School will notify parent of the child's irregular school attendance and offer them the opportunity and support to improve.

If you receive a letter informing you of concerns regarding your child's attendance you should

- Speak with your child to see if there are any reasons why they are reluctant to attend
- Contact the school to discuss any difficulties you or your child may be experiencing.
- Ensure your child attends school regularly

If there is no improvement and the parent has not provided a good reason for the absence, the school may refer to the Bucks Attendance Team

The Attendance Team will invite you to attend a Parenting Contract Meeting and may issue a Warning of a Penalty Notice.

A Parenting Contract is a voluntary agreement between you and the Local Authority aimed at supporting you in improving your child's school attendance.

Whilst your involvement in a Parenting Contract is voluntary, if you fail to engage with the support offered and your child's attendance remains irregular, the Attendance team may issue a Penalty Notice or begin legal proceedings in the Magistrates' Court.

If you are issued with a Penalty Notice of £80 per parent/carer, per child this must be paid in full within 21 days otherwise the Penalty will increase to £160 per parent/carer, per child. If you fail to pay the Penalty by the 28<sup>th</sup> day, the Education Welfare Service may instigate legal proceedings against you.

If you are found guilty of this offence you can be fined up to £2500 and/or be imprisoned for a period of three months.
