

Charging and Remissions Policy

Reviewed: January 2026

Next Review: January 2027

The Governing Body recognises the valuable contribution that the wide range of additional activities, including clubs and visits, can make towards a pupil's education. The Governing Body aims to promote and provide such activities as part of a broad and balanced curriculum for the pupils of the school and as additional optional activities.

The relevant statutory provisions are contained in Chapter III of Pt VI of the Education Act 1996. This requires the Governing Body to determine and keep under review a Charging and Remissions Policy. Parents have a right to ask for this information and this is published on the school website. The school must also comply with the Buckinghamshire County Council Scheme for Financing Schools, Finance Section F7 Charges for Educational Activities.

There are two types of financial contributions for which parents can be asked in relation to educational activities:

- Voluntary contributions
- Permitted charges

They have different limitations as set out below.

Voluntary Contributions:

Nothing in legislation prevents a school governing body or local authority from asking for voluntary contributions for the benefit of the school or any school activities. However, if the activity cannot be funded without voluntary contributions, the governing body or head teacher should make this clear to parents at the outset. The governing body or head teacher must also make it clear to parents that there is no obligation to make any contribution.

It is important to note that no child should be excluded from an activity simply because his or her parents are unwilling or unable to pay. If insufficient voluntary contributions are raised to fund a visit, then it is likely to be cancelled. Schools must make sure that they make this clear to parents. If a parent is unwilling or unable to pay, their child must still be given an equal chance to go on the visit. Schools should make it clear to parents at the outset what their policy for allocating places on school visits will be.

When making requests for voluntary contributions to the school funds, parents must not be made to feel pressurised into paying as it is voluntary and not compulsory. Schools should avoid sending colour coded letters to parents as a reminder to make payments into the school or maintenance funds.

There is no limit to the level of voluntary contribution, nor is there any restriction on the way in which such contributions may be used. Thus, voluntary contributions may be used to subsidise pupils of lesser means and to pay the travel and accommodation costs of accompanying teachers.

Permitted Charges:

Permitted charges are a direct request to cover certain costs involved with a school activity or visit. No charge can be made in respect of education provided during school hours (which excludes the midday break). Furthermore, no charge can be made for any education provided outside of school hours if this forms part of the syllabus for a public exam, or as part of the National Curriculum or religious education (non-chargeable education). A charge may be made however for board and lodgings on any residential educational visit (subject to the provisions of the LA and school's remissions policy). The below information outlines the areas relevant to Jordans School, as an infant school:

1. Materials, Textbooks and Folders

Where a pupil or parent wishes to retain items produced as a result of art, craft and design, or design and technology, a charge may be levied for the cost of the materials used. In the case of Food Technology, pupils usually provide their own ingredients, but if the pupil forgets, the school provides the ingredients and can choose to levy a charge.

2. Damage/Loss to Property

A charge will be levied in respect of wilful damage, neglect or loss of school property (including premises, furniture, equipment, books or materials), the charge to be the cost of replacement or repair, or such lower cost as the Headteacher may decide.

3. Clubs Outside of School Hours

The school endeavours to create a wide range of experiences and opportunities throughout the school day and also offers out of school hour clubs. As these clubs are run by external providers, charges may apply. The school encourages the clubs to offer funded places for low income families and may choose to fund places with Pupil Premium funds.

4. Lettings

The school will make its facilities available to outside users at a charge of at least the cost of providing the facilities. The scale of charges will be determined annually by the Finance Committee and approved by the Governing Body.

5. Other Charges

The Headteacher, Finance Committee or Governing Body may levy charges for miscellaneous services up to the cost of providing such services e.g. for providing a copy of subject access request items.

Government guidance providing details of school charging can be found here:

<https://www.gov.uk/government/publications/charging-for-school-activities>

Review

This policy will be reviewed annually by the governing body, however, may be reviewed earlier should new government guidance or school circumstances change.
