In the afternoon, we learnt all about the
Paralympics
(see the slides attached to the email)

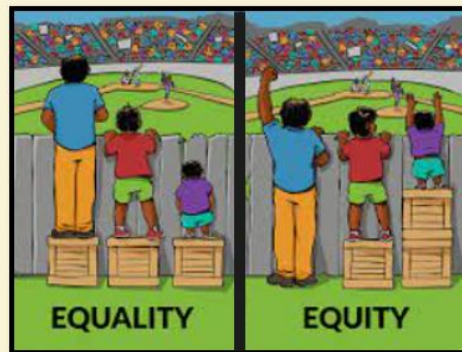

In our school, we are all learning. We are all learning together and we all have special targets that we are working on ourselves. Some of us are working hard on our handwriting, some of us are working hard on eating new foods...

What are you working hard on?

In our school, the teachers think hard about how we can learn together in an equitable way – how can we make it fair so we can all learn together?

Have a look at these two pictures... which is the most fair? Why?

Tell me about this picture... How is everyone included fairly?

EQUALITY VERSUS EQUITY

In the first image, it is assumed that everyone will benefit from the same supports. They are being treated equally.

In the second image, individuals are given different supports to make it possible for them to have equal access to the game. They are being treated equitably.

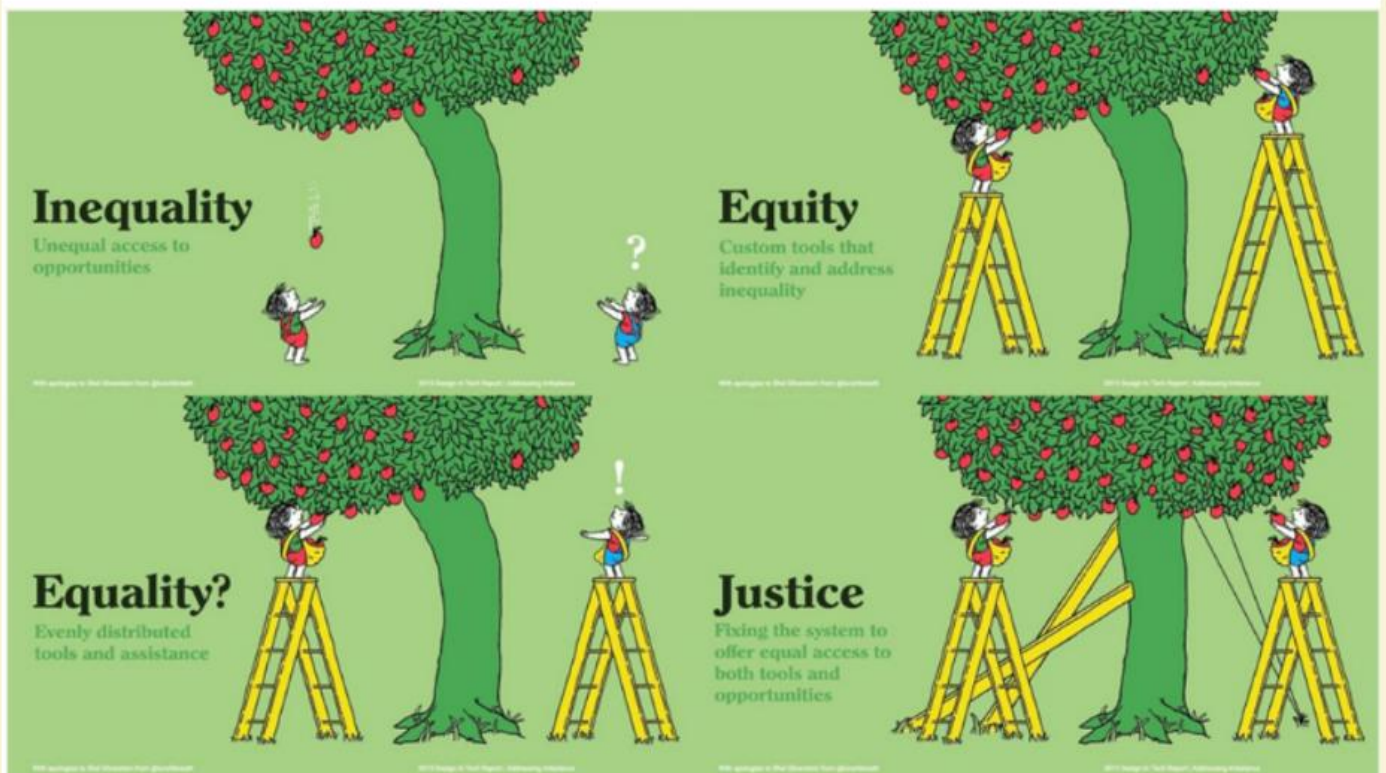

In the third image, all three can see the game without any supports or accommodations because the cause of the inequity was addressed. The systemic barrier has been removed.

Tell me about this picture...

What has been done at each step to make the situation more fair... more inclusive?

In the world, we are thinking more and more about how to be equitable, how to be more fair and more inclusive.

Everyone should be able to have a fair chance at doing anything.

On SPORTS DAY, it is a good opportunity for us to think about how everyone can play sports and have fun.

Let's find out about Olympic Games and about Paralympic Games!

We experienced some of the events for ourselves.

Sports for visually impaired, with a bell ball

Wheelchair Shotput

Adapted Running Races

JORDANS SCHOOL CLASS NEWS

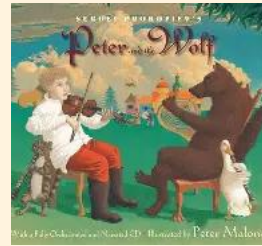

Fox Class

This week in Fox Class we have been learning about capacity in our Maths lessons. In our discussions relating to understanding the world, we have been comparing water and land animals. Our Book of the Week has been 'Commotion in the Ocean'. Excellent work Fox Class!

Owl Class

In Owl Class in our Music lessons we have been listening to Peter and the Wolf. In Maths we have discussed time and in PSHE we have been talking about 'my country'. Well done Owl Class!

Deer Class

This week we went for a walk to Jordans Quaker Meeting House where we spent a very interesting morning. We have been learning how to read a thermometer and in DT we made a mechanical wheel mechanism. Well done Deer Class!

Thank you, kind helpers!

We are truly grateful to everyone who steps in to help with the different activities. Your kindness is providing so many fun events for the children. They have the best time!

If you see anything on the JSA calendar you can help with – even helping to buy tea/coffee /cups for events or stepping in to help for half an hour- it all makes lighter work as a collective.

Drop an email to JSA@Jordans.bucks.sch.uk or speak to your parent rep.

LOLLY FRIDAY

Every Friday at 3pm until the end of term the JSA will be selling ice lollies at the gate.

Why not stop by and buy one!

£1 each
