JORDANS SCHOOL

CLASS NEWS

Fox Class

In Fox Class we have really enjoyed our Book of the Week, 'Handa's Surprise'. In our Understanding the World lessons, we have discussed Africa and exotic fruits and in our Communication and Language sessions we have been comparing lives in different countries. Super work, Fox Class!

Owl Class

In Owl Class this week we have been learning about one less than in our Maths lessons. In English the discussion has been about families and the types of things we do with them. In Art we have been creating water colour painting and as part of our History topic we went for a walk around Jordans Village. Well done, Owl class!

Deer Class

In Deer Class we have been writing our own fact files about Samuel Pepys and The Great Fire of London. In Maths we have been practising our fluency in addition and subtraction and in Science we have been learning about animals and discussing our own pets. Well done, Year 2!

Our Assemblies this week...

PHOTO SURVEY UPDATE

We have had 13 responses so far.

Survey will close 19.10.2026.

To help us to make thoughtful decisions about online safety and communication, we are asking all stakeholders for their views on whether the school should continue to include children's photos in our newsletter and on the website. Photos have traditionally helped us celebrate learning and strengthen our sense of community, however, the digital landscape is changing and we wish to ensure our approach reflects both the benefits and the emerging risks.

Your feedback will guide us in shaping a safe, balanced and family-centred policy.

Photos - Stakeholder Survey

1. I am a ...

Required

☐ Parent

2. Jordans School should continue to add photos of the children (including faces) to the newsletter and website.

Required

☐ Yes
