JORDY'S DAY OUT!

Our school squirrel, Jordy, had a day out yesterday when he helped deliver all the kind donations you made at the Harvest Festival to the charity One Can in High Wycombe. Well done Jordy for all your help and thank you, families, for your generosity.

JORDANS SCHOOL CLASS NEWS

Fox Class

In Fox Class this week our story has been Rama and Sita. In our PSHE lessons we have been using props to support role play and in Maths we have been printing patterns. Well done, Fox Class, great effort!

Owl Class

In Owl Class we have been reading 'This Moose Belongs To Me'. In our History/Geography lesson we had a special visitor telling us all about Jordans Village in the past, and in Art we have been creating Poonac family portraits. Well done. Owl Class! Gallery

Deer Class

In Deer Class this week we have been learning about place value in our Maths lessons. In Art we have created seascape collages and in English we have been discussing how to answer questions from text. We also went to St. Paul's Cathedral yesterday! Well done, Deer Class!

-£6.50 per session, pre booking required

-Bring a healthy snack (no nuts)

-Change of clothes is optional

- Limited availability available to year R, 1 and 2.

BUCKINGHAMSHIRE COUNCIL

We want to hear your views on our proposed Education Places Sufficiency Strategy 2027–2032, to help us shape the final strategy.

Buckinghamshire's education system is one of the county's greatest strengths. Our proposed strategy sets out how we will ensure that education, childcare and SEND (special educational needs and disabilities) provision continues to meet local needs, supports planned growth and provides the right places at the right time over the next five years. We would welcome feedback from schools and settings, parents and carers and children and young people.

Please review the draft strategy and complete the consultation by 13 December. We would also be grateful if you could share the consultation with your parents and carers and wider school community and encourage them to have their say.

View the Education Places Sufficiency Strategy 2027–2032 consultation

If you have any questions or require the consultation documents in a different format, please email educationconsultation@buckinghamshire.gov.uk.

Thank you for taking the time to help shape the Education Places Sufficiency Strategy for Buckinghamshire.

JORDANS VILLAGE NEWS & EVENTS

Speed Humps

Improving road safety on our estate

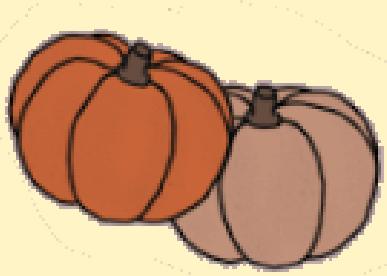

Following the introduction of the 15 mph speed limit in 2025, JVL is further improving road safety in our village with some more speed humps and improvements to some existing ones.

We're introducing two new "platform" style speed humps - one outside the Village Store, and the other in Beech Lane between the entrance to Crutches Wood and Chalky Field - to make it safer for pedestrians crossing the road.

We're adding speed humps to equalise gaps between each existng hump where some vehicles tend to accelerate, and we're turning the useless double bumps in Seer Green Lane and Green West Road into proper speed humps. A map showing the location of existing and new humps is shown below. The position of the new humps on the map is now more precise, having taken account of feedback received.

The work is being carried out by John Cobb & Sons. The humps will be laid in the week commencing Monday 26th October, and may take a few days to complete.

What a wonderful start to the academic year we have had at Jordans School. A BIG thank you to the amazing staff and governor team and thank you to our lovely parents and super star children.
