JORDANS SCHOOL NEWSLETTER

Friday 7th March, 2025

YR 1 TRIP TO THE DISCOVERY CENTRE

Year 1 are really looking forward to their trip to The Discovery Centre, near Bracknell next Wednesday. This is always a really fun and educational trip. Please remember to be at school at 8.45am that day as the coach is leaving the green at 9am prompt and the children must come to school first to be registered and to go to the toilet. Thank you.

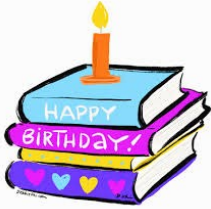

PARENT CONSULTATIONS

We will be offering ten minute Parent Consultations on 18th and 21st March. Consultations on the 18th will be face to face at school and those on 21st will be via Zoom. Please email the office from 7pm next Monday 10th March to book your preferred time and date. We will do our best to accommodate you. The email portal will not open until 7pm on that date so please do not request an appointment before then. Thank you.

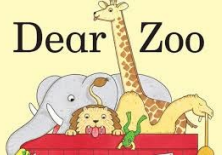

BIRTHDAY BOOKS

When children at Jordans School have a birthday, we invite you to donate a book for the class to enjoy and keep in the reading corner. We will put a bookplate in the front cover stating "This book was donated to Jordans School by" It is a lovely reminder of your child's birthday and also their time at Jordans School. Thank you for your kind consideration.

FOX CLASS

This week we have been reading Dear Zoo and the children have loved it. We also have a new role play area; The Vets. One of our mummies, who is an equine vet, came to talk to the children on Tuesday about the work the vets do to help keep our animals and pets healthy. Thank you very much to her. We have also been making animal habitats out of junk modelling materials. Lots of good work this week. Well done Foxes!

OWL CLASS

This week we have been reading The Wolf's Story which is a very interesting take on the tale of Little Red Riding Hood. In Maths we have been exploring numbers to 50 and in phonics we have looked at "ph" as "f". Lovely work this week Owls!

elephant

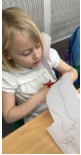

DEER CLASS

In Science this week the children have been identifying common wild, and garden plants. They have been looking at ways the weather affects us and in RE they have read sacred stories, including Noah and the Flood. Well done Deer Class!
