JSA

A BIG thank you

to everyone for helping to give the children such a fabulous day out at the Bluebell Fair.

We have raised

£1995

after expenses

Which is amazing for our little school.

**All money will be going towards enhancing our children's learning
at the school with extra resources and enhancements.**

HELP WANTED!

TREASURER: *Number Cruncher*

We say a BIG thank you to our very kind parent JSA treasurer who has been looking after our JSA pot of money and helping the school to spend it on the children. As their child moves up to the next school in September, we are looking for the next kind volunteer to pick up the baton and help. We can run handover sessions so you will have all you need and we can continue to give our children a special school experience at Jordans.

So... if you secretly love a spreadsheet, counting beans and keeping things organised... If you'd love to join the table discussing what we raise money for next and how to spend it, please email the school office.

We can't wait for the fun we'll have with you on board.
